

Advanced Technologies Academy

Ranked #1 Public High School in Nevada: U.S. News and World Report 2020

National Blue Ribbon School (2003, 2011, 2019)

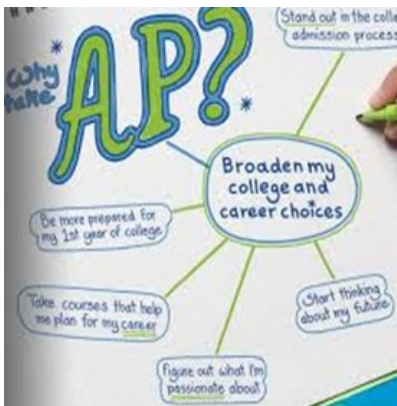

Advanced Placement Curriculum Information Night

WEDNESDAY
DECEMBER 9, 2020

6:00 PM to 7:30 PM

Join us via Google Meet

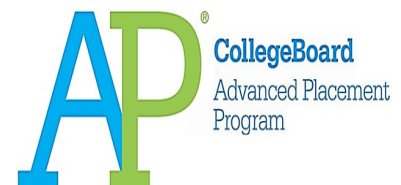

<https://stream.meet.google.com/stream/c5fa8002-3ecd-4fb3-a637-418878106e16>

1. Understand the benefits of taking Advanced Placement (AP) courses
2. Receive accurate information about the AP Program at A-TECH
3. Get a head start on your 2021-2022 class schedule
4. Clarify misconceptions about Advanced Placement
5. Meet our AP teachers and learn about the AP Courses they teach
6. Listen to our students relate their AP experiences
7. Get to know what the AP Capstone Diploma is about

Benefits of taking AP Courses: [A-TECH](#)

- ✓ Earn college credits while still in high school
- ✓ Earn advanced placement in college/skip lower level classes in college and graduate early
- ✓ Stand-out in your college applications and impress College Admission Counselors
- ✓ Boost your eligibility for scholarships and college-specific merit aid
- ✓ Experience the rigor of college level classes and develop college-level academic skills
- ✓ Save money by graduating early from college
- ✓ Get more flexibility in college and add a second major, take more electives and study abroad

For more information contact [Mr. Gokul](#) or your Counselor in the Counselors' Office
